

INVEST IN THE FUTURE LEADERS OF ISAAC KNAPP

What is FLIK?

Future Leaders of Isaac Knapp (FLIK) is a leadership program designed to make Isaac Knapp member dentists better at leading themselves, their team, and their patients. Participants will learn how to become better leaders for their families, their communities, this dental association, and any other organization they choose to be a part of. This is a unique sponsor opportunity to network with a targeted group of local dentists who are serious about leading in their professional and personal lives. This 7 module program will challenge participants with topics designed with the dentist in mind and equip them with tools to discover excellence.

Program includes:
